What Is The Kent County Commission On Aging?

Created under Resolution dated February 25, 1969. The Commission on Aging shall consist of representatives of groups having an interest or function related to the areas of activity affecting elderly citizens and those individuals interested in aiding in the solution of problems confronting persons in the advanced age group and ex-officio members representing agencies of the county government appropriate. Members of the Commission of Aging will be appointed by the County Commissioners and will serve for a period of three years. Members shall be eligible for reappointment and any vacancy occurring at any time in the membership of the Commission shall be filled by the County Commissioners for the unexpired term.

There are currently twelve members of the Commission on Aging who represent all of the election districts. There is also an ex-officio member who serves as the Kent County Commissioners representative.

If you are interested in becoming a member of the Kent County Commission on Aging please contact the County Commissioners Office and request a Boards and Committees Interest Form.

**Prepared by
The Kent County Commission on Aging
in association with
The Kent County Chamber of Commerce**
