

**RESOLUTION ESTABLISHING  
KENT COUNTY WATER AND SEWER SERVICE RATES**

WHEREAS, the County Commissioners of Kent County, Maryland, have also included in the fiscal 2015 budget revenue estimates reflecting a 4% reduction in water and sewer rates per the attached schedule; and

**THEREFORE, BE IT RESOLVED**, by the County Commissioners of Kent County, Maryland, that effective July 1, 2014, all water and sewer rates charged by the County shall be reduced uniformly by 4%, such reduction to be reflected in the quarterly billing for the first quarter of the fiscal year (September 2014 billing) and quarterly thereafter unless and until changed by the County Commissioners by resolution; provided that charges not based on consumptions or minimums in lieu or a part thereof (e.g., hook up charges, penalties, disconnection charges, etc.) shall remained unchanged.
