

October 12, 2021

Kent County Zoning Board  
400 High St  
Chestertown, Md. 21620

We, on Federal Hill Farm, support the changes suggested in the Comprehensive Zoning draft.

We fully support and request adding Agri-Tourism as a Permitted Use in both the Agriculture Districts and Rural Residential Districts, (with perhaps a caveat that the farm in question be at least 100 acres in size).

We suggest adding the category "cut your own Christmas trees" to the allowed activities described in the definition and suggest adding a special events category which would include weddings, wedding receptions, and the like.

Sincerely,

MARY LOU HURTT  
Federal Hill Farm
